Summer is in full swing at Lake of the Oaks!

Temperatures and humidity levels soar to their highest points of the year. These conditions support family fun in the forms of boating, swimming, kayaking and fishing. The tree leaves are in full bloom which provides shade that offers respite from the sweltering, midday heat. There's nothing quite like sitting at the water's edge cooling your feet, especially if you can do it in the shade of one of the lake's many oaks. Or, even better, many owners have purchased those large floaties that are as big as a room. It looks like kids of all sizes enjoy using them as platforms in the center of the lake or as trampolines to jump on from the docks. They look like plenty of fun for the whole family!

Boat Slips

All the Lake of the Oak's boat slips have been rented. More are coming. Point of contact is Daryl Herron: 217-491-2258. Call him for availability and boat slip rental costs. This activity remains very popular and is serviced as first-come, first-served. Get in early as they won't last!

Beach Season Kick Off

Many thanks to Tom and Maria Hornstein for kicking off Beach Season with their annual hotdog cookout at the lake shelter. It was a hot day and they had a great turn out. Tom reports Maria cooked about 75 hotdogs that day, along with providing chips and drinks. You guys are amazing LOTO owners and we are lucky to have you here!

July 4th Annual Celebration

July 4th celebrations at Lake of the Oaks were spectacular! Saturday, June 30th, kicked off with a Pancake Breakfast at the clubhouse from 7- 9 a.m. The breakfast included pancakes, sausage gravy and biscuits, bacon, sausage links, coffee, milk and juice. The Pancake Breakfast was well attended by many early risers and cooking was done by Randy and Terry Hughes. Special thanks to those who participated either as a volunteer (Gerald and Malinda Poulter and Albert Keppel) to make the event a success and those who came and gobbled down breakfast.

The Annual Fishing Derby occurred Saturday, June 30th, on the dam structure from 9-11 a.m. and was spearheaded by Daryl Herron. There were 23 participants ranging in age from 3 to 17. Trophies and medals were awarded to 1st, 2nd and 3rd place winners for the most fish caught, most inches of fish caught and the smallest fish caught. Winners included: Griffin Noble, Jax Hall, Brynn (missing last name, sorry), Easton Ammer, Blake Herron, Noah Aguilera, Ean Ammer, Ethan Ammer, Brendon(missing last name, sorry), Cale Herron and Dominic Aguilera! There were lots of prizes handed out, so everyone was a winner!! We would like to thank all volunteers and those who donated to the Fishing Tournament!

Volunteers were Daryl Herron, Kevin Semrow, Bob Wolters and Joe Brewer. Donations were received from Kevin and

The July 4th Annual Fish Fry occurred Saturday evening at 5PM, June 30th, at the clubhouse. Fish frying was a family affair with Dan and Myrna Daughtry, their son Sam from Colorado and son Steve and daughter-in-law Kristen, all pitching in to cook about 40# of catfish! And boy was it delicious! The dinner coordination was handled by Linda Johnson and she thanks volunteers Kathleen Keppel and Beth Davis for helping out. The many side dishes and desserts provided by all who participated were very appreciated and quite tasty too! Thanks to everyone for joining us for our 4th of July festivities.

Labor Day Dinner – September 1, 2018

Randy and Terry Hughes have volunteered to be the coordinators for this event. Pulled pork will be the main dish, along with a few hotdogs and hamburgers. Everyone please bring a side dish to share and consider helping out by setting up/taking down the tables/chairs before and after the event, bagging trash and washing silverware. It's so easy to be helpful and it really is appreciated. Please pitch in and show your LOTO spirit by being a volunteer! We can't wait to see you all again. I bet Randy is going to bring his **world famous potato salad** again! Any challengers?

LAKE WORK DAY to be reinstated! Kick-off day is Thursday, August 9th 8am-noon. Meet at the clubhouse to coordinate the work. The main goal of Lake Work Day is to keep the roads cleared of the encroaching brush, tree branches and debris. The work is done totally voluntarily by residents of LOTO and is targeted to happen once a month. Please consider coming out to help. Many hands make light work! If you have a small chain saw or loppers, bring them along. If you have questions about this monthly project, please contact Doug Ammer at 309-221-0928. See you there!

RECYCLING Doug Ammer will take all other **recyclables** for you, please rinse them and leave them in a bag outside the dumpster so he can collect them. Doug reports he has turned in nearly 9,000 redeemable cans and bottles to Iowa that has netted LOTO \$465 in cash. These efforts have afforded us the opportunity to pay for food for our events and equipment and supplies for the clubhouse. Many thanks to all who recycle and to Doug for his vigilance with recycling. PLEASE LOOK AT YOUR BOTTLES AND CANS FOR RECYCLING INFORMATION. Many people don't realize their liquor bottles have deposits on them. Recycle them to us please! **Recycle** cans in the bin at the Clintons, across from the clubhouse. Sandy and Dan crush cans every day and take them to Canton for redemption. Since January they have received over \$200 for the aluminum cans and again that money is used for clubhouse repairs, purchases and our community events. **As an example, the fourth of July events cost \$438 and was paid for through RECYCLING funds!!!**

**MANY, MANY THANKS TO THE PEOPLE WHO DILIGENTLY DO SO MUCH TO KEEP
OUR LAKE AND PROPERTY RUNNING SMOOTHLY.**
