

The Lake of the Oaks

Property Owners Association Corporation

#1 Apache Trail

Canton MO, 63435

Greetings to all 123 Lake of the Oaks Property Owners!

This is a joint mailing coming to you from the Secretary and the Treasurer of the Property Owners Association Board of Directors to notify you of important financial and Association business.

Enclosed you will find:

1. Your ballot to for three vacated board positions. Board members whose three year term expires in April are Mark Bigelow, Kent Stevenson and Beth Davis. There is also a one year term that will be filled that was vacated by Betty Jones last summer.
2. This is also a reminder to mark your calendar for Saturday April 8, 2017, at 1:00 p.m.

We have not had a very good response to the requests for candidates so if you are interested and concerned about the business and structure of the lake organization, please write your name on the ballot when you send them in. Mention that you have done so to a few of your friends and neighbors so they can vote for you as well. It is very important that we have a full seven member board of directors at the Lake.

Please bring finger food or desserts, drinks will be provided.

The Lake of the Oaks

Property Owners Association

March, 2017 Newsletter

It has been a very mild winter at the Lake! This is making many anxious to get boats in the water and the fishing has been very good, or so I've been told. Large flocks of Canada Geese honk loudly as they fly over the Lake, stopping over briefly (hopefully) in the open water. It has been a beautiful winter at the Lake of the Oaks!

News at the Lake of the Oaks

1. As most of you are aware, the can bin for recycled aluminum cans has been relocated to the Clintons'. This is directly in front of the club house.
2. There was information about the CAFO, Expedition Acres, LLC planned construction of an 8500 head hog confinement, southeast of the Lake sent out in the previous mailing. Please be sure and write and call your elected public officials.
3. If you have noticed some clearing and construction on the 40 acres at the northeast entrance of the Lake, this is the new campsite belonging to Earl and Leanne Stuekerjuergen. There will be building sites for camper hookup and a lodge. We will talk about their proposals at the annual meeting.
